

Papier-Mache Head Choices

Fill in the 1st and 2nd choice on your enrollment form with the name of the head you would *prefer* to wear in the parade. Please be aware that head selection is first come first serve, with each head fitting differently. Head choices are NOT confirmed until a costume fitting is done at the parade studio. **Costume fittings will be held in October 2010.** While there are duplicates of some of our heads, most are unique and one of a kind. Quantities of each costume are noted in the circle. Schedule your head fitting early to ensure you get your preferred head.
